HEALTHY KINGDOM FAMILIES

59G Parenting

➤ Loving Your Kid's On Purpose (Danny Silk)

You CAN raise good kids! Loving Our Kids on Purpose combines the principles of the Kingdom of God and revival to form a powerful strategy for parents. Where the Spirit of the Lord is there is freedom (2 Corinthians 3:17). Rather than the traditional approaches that train children to learn to accept being controlled by well-meaning parents and adults, this book teaches parents how to train children to manage their freedoms and protect their important heart-to-heart relationships.

Children were designed with the core need of freedom. To deny this or live ignorant of it eventually destroys the trust connection between parent and child. “There is no fear in love; but perfect love casts out fear, because fear involves torment. But he who fears has not been made perfect in love.” (1 John 4:18 NKJV). *Loving Your Kids on Purpose* introduces paradigms, perceptions, skills, and ideas that will help parents reduce fear by eliminating the tool of punishment and strengthening the core character of their children by empowering their self-control and value for their relationship with their parents.

➤ Keep Your Love On:

Connection Communication and Boundaries (Danny Silk)

Keeping your love on is a hard thing to do. Sometimes it's the hardest thing to do. But if you want to build healthy relationships with God and others, learning to keep your love on is non-negotiable. Adults and children alike thrive in healthy relationships where it is safe to love and be loved, to know and be known. Yet for many, relationships are anything but safe, loving, or intimate. They are defined by anxiety, manipulation, control, and conflict. The reason is that most people have never been trained to be powerful enough to keep their love on in the face of mistakes, pain, and fear. *Keep Your Love On* reveals the higher, Jesus-focused standard defined by mature love - love that stays "on" no matter what. Danny Silk's practical examples and poignant stories will leave you with the power to draw healthy boundaries, communicate in love, and, ultimately, protect your connections, so you can love against all odds. As a result, your relationships will be radically transformed for eternity. When you learn to keep your love on, you become like Jesus.

➤ Healing the Orphan Spirit (Leif Hetland)

The Orphan spirit is rampant in the church and the world today, causing chaos and destruction. There is an answer to this orphan spirit, which is the spirit of adoption and the spirit of Sonship. Father God is waiting for His sons and daughters to understand who they are, and be the co-heirs He created them to be. The most perfect example of a son knowing his true identity, position, and inheritance was Jesus. Jesus said in John 3:13, “No one has ascended to heaven, but He who came down from heaven, that is, the Son of man who is in heaven.” Jesus, of all men, did not have an orphan spirit, for He never really left the presence of His Father. He was at home wherever He happened to be physically, because He and His Father never lost the connection... not until He took our sins upon the cross. There He partook of the orphan spirit when He cried out in anguish, “Father, why have you forsaken me?” Only then did Jesus experience the pain of the orphan spirit, as He died to bring us back to a relationship with our Father. Now we can come back to the Eden Father created for us and we can live from Heaven, instead of toward Heaven.

5G DEBT-FREE & OUTRAGEOUSLY GENEROUS

➤ How Heaven Invades Your Finances (Jim Baker)

Heaven's Invasion Changes Everything! What if the testimony of God's goodness on your life brought nations to Christ? What if your faithfulness in stewarding money qualified you to shape the culture over cities? What if prosperity wasn't selfish? Many are frustrated because they've tried the principles of sowing and reaping without first establishing "The Foundation for Supernatural Finances." That's like building a financial house with no foundation or frame structure.

This book will:

- Give you a Kingdom lens to view your finances, prosperity and the purpose of money through.
- Equip your head, heart and hands with revelation, activations and testimonies.
- Enable you to build the financial foundation to partner with heaven and see it released here on earth!

Heaven is looking to invade your finances.

Will you give Him a "Foundation" to land on?

5⁹G DEBT-FREE & OUTRAGEOUSLY GENEROUS

➤ Wealth with God for Churches (CLASS AT ZION)

You can't build a skyscraper on an outhouse foundation...and it's time to lay the foundation for supernatural finances. Join us in this 10-Week journey to align your finances with God where you will:

- Experience God as Provider. Pause for a moment and ask yourself what your life would be like if you never worried about money again.
- Remove the number one roadblock that keeps believers from prospering.
- Discover the joy of giving and the reward of receiving.
- Run your personal finances like a Kingdom business through organizing and automating.
- Eliminate debt with the fastest path and see what it looks like to have God involved in this process.
- Never have to budget again by using the “un-budget budget”. Can somebody say, “Freeeeedommm!”
- Think and behave like an investor, not a consumer.
