Song of Songs

Online School by Brian Simmons

This poem tells the story of our journey of divine romance as bride of the Bridegroom-King, Jesus Christ. It speaks of the journey every longing lover of Jesus will find as his or her very own. The bride sees her beloved as a shepherd, a representation of the relationship between you and your Beloved. Brian takes you through a verse by verse glory-filled look through Song of Songs in the Passion Translation.

Surrendered to the Holy Spirit

E-course By Hayley Braun

For too long the Holy Spirit has been regarded as only a doctrine and theory, knowing His “form” but lacking true connection to His nature, character, power, and personhood. But that changed for Hayley Braun when a radical encounter with the raw presence and power of the Spirit left her completely undone—and ushered in a holy passion for her to help spiritually hungry believers experience the same. In this Surrendered to the Holy Spirit Course, Hayley Braun imparts a deeper revelation of what it means to live a life wholly connected to the Holy Spirit: the greatest power in the world.
